

BRIAN ROELS

FULL-STACK DEVELOPER

PROFILE

Hi! I'm an all around developer with a passion for **coding**, **music** and **design**. I'm a social team player and I love working with children.

To brighten up my days I jump behind my drums (which I lecture) and play for hours. I was active in a local **youth movement** for over 17 years (5 years as **leader**), and I'm in the possession of a **drivers license** type B.

LANGUAGES

Dutch: native language

English: fluent

French: reasonable

EDUCATION

- 2015 - **BA Electronics-ICT (WEB)**
Present Odisee Technologicampus Gent
- 2011 - **Computer Management**
2015 Technisch Instituut Sint-Maarten Aalst

EXPERIENCE (LAST 2 YEARS)

- 2019 **Blended mobility (Internship)**
As a member of a 10 headed multi disciplinary team, I was product manager inside the scrum team and was responsible for the communication between the team and the product owner (SpacePal). Also did I manage the IT-team and assured that the deliverables were from a certain quality. This meant doing code reviews and developing myself.
- 2018 **All Around Developer (Student Job)**
As All Around Developer at Omygod I was responsible for creating custom websites in Wordpress, in association with the designers.
